Re: FOIA Request: R13-022

Dear Mr. Morisy;

This is the response from the Chemical Safety and Hazard Investigation Board (CSB) to your Freedom of Information Act (FOIA) request dated May 21, 2013. Your request seeks the CSB incident database and was received on May 28, 2013.

The CSB identified the records requested and have enclosed a copy of the CSB incident database from 2001-2013. I have determined that these records may be released in full in response to your request.

You asked for a waiver of fees associated with your request, on the basis that the information sought is individual noncommercial request. Based upon my review of the information provided and representations made in your request, I have determined that a fee waiver would be consistent with the factors described in 40 C.F.R. § 1601.32(c) and thus is granted.

This response and release of records completes the CSB's processing of your request. If you have any questions about this response, please feel free to contact me by telephone at 202-261-7624, or by e-mail at Chris.warner@csb.gov. Thank you.

Sincerely,

Christopher W. Warner
FOIA Officer
